LICENSE CHANGES MADE IN NEW LAW COUNCIL ENACTS

Last Fall Meeting of City Council Held Wednesday Night—New License Ordinance Is Adopted.

City Council met in adjourned session at the Council Chamber Wednesday night. All members except Mr. Arn were present and Mayor Thomas M. Russell was presiding.

An account of twenty dollars for the care of the porch waifs for a period of four weeks, was ordered paid.

Member Davis of the Fifth ward, moved that the police department be reduced by two members and that the office of Prisoner Guard be abandoned. As the motions failed to receive second, they were lost.

Upon motion of Mr. Davis, the Mayor was authorized to have a fire alarm signal placed immediately upon Limestone bridge.

Upon motion council as a whole ratified the action of a part of council and the Mayor in the afternoon appointing a Water Commission of business men to look into and solve the present water problem.

Council took up the proposed new license ordinance as figured out by the License and Laws and Ordinances Committee. City Clerk Adair read the ordinance and the councilmen took up the ordinance section by section until the entire ordinance was disposed of. The ordinance was received as read, the rules of council were suspended and the ordinance was adopted as twice read.

Nothing further Council adjourned to meet at the call of the Mayor.

INSTALLING GAS HEATERS IN GEM THEATER

Contractors are at work today installing gas heaters in the Gem Theater which will warm this attractive little theater for the coming winter. The old heating system was not satisfactory but the new system which is now being installed will keep the room quite comfortable.

BACK FROM STATE ASSOCIATION

Rev. J. A. Davis, pastor of the local Baptist church, arrived home last night from Georgetown, Ky., where he has been attending a meeting of the Kentucky General Association of Baptists. Mr. Davis reports a splendid meeting and much progress reported during the year.

SEAL SALE CAMPAIGN OPENS FRIDAY NIGHT

First Meeting in the Interest of Red Cross Seal and Bond Sale to Be Held at Minerva.

The first big gun will be fired at Minerva on Friday night, November 15, in Mason county's campaign for raising funds by selling Red Cross Bonds and Red Cross Christmas Seals for tuberculosis work in Mason county. This campaign is to be nationwide and Mason county's quota is \$2,000. Mason county always goes over the top and in this drive it is hoped that our county will back it to the limit and a little more.

At Minerva school at 8 p. m. Friday night there will be an illustrated talk on tuberculosis and an address by Mr. Hal Curran on the activities of the Red Cross and Red Cross Bond Christmas Seal. Everyone is invited to attend.

CHIEF ORT LEAVES TO PROCURE STATE WARRANT

County Attorney W. H. Rees this morning received from Governor James D. Black a requisition on Governor Cox, of Ohio, for the return of "Bear" Payne, now in the Georgetown (Ohio) jail being held for the local authorities. Chief of Police Harry A. Ort leaves this afternoon for Columbus to present this requisition to Governor Cox and will return to Georgetown to bring Payne back to Maysville.

LARGE APARTMENT HOUSE IS SOLD

Mr. and Mrs. William Stockton have purchased from Mr. E. T. Kirk, the large and beautiful Kirk Apartment in West Second street and will continue to operate this apartment.

EWING CHURCH CALLS PASTOR

The Ewing Baptist church has extended a call to Rev. D. A. Dalley, of McVeigh, Ky., to become their pastor. Rev. Mr. Dalley has not yet replied to the call which has been extended.

On Friday evening, November 14th, Ope Read, one of the best known and beloved of American writers will appear on the High School platform and deliver his inimitable lectures "Human Nature and Politics." The bare announcement of this fact should create universal interest throughout the community, and no one living within ten miles can forego the pleasure of hearing this distinguished man whose name and works are familiar to all of the civilized world.

COCKS EXPLAINS TO COURT ABOUT HIS TWO NAMES

Minister Tells About His Predicament in Cincinnati Court But Divorce Decree Is Still Unrecorded.

The Cincinnati Enquirer says: Judge C. W. Hoffman yesterday afternoon faced a modern case of "Peter Piper picked a peck of pickled peppers" when an investigation was made of the marriage of Rev. George Cocks, former Harrison (Ohio) pastor, and Miss Nannie R. Gill, Maysville, Ky., last Thursday, before his divorce from Mrs. Murtice Cox, Hoxie, Kan., had been entered.

The principal question faced by Judge Hoffman was to ascertain the name of the minister, who was represented by Attorney J. Q. Martin.

"What is the minister's name?" inquired Judge Hoffman.

"Cocks" said Mr. Martin.

"Cox?" inquired Judge Hoffman.

"Yes, Cocks," replied Martin.

The question then faced by Judge Hoffman was, literally, when was Cocks Cox and when was Cox Cocks? If Cocks was Cox when he married Mrs. Murtice Cox, then why was Cox Cocks when he married Miss Gill at Maysville?

Rev. Fred Cox, who said he once had been a barber at Dayton, Ohio, was granted a decree by Judge Hoffman last Thursday. Rev. Fred Cox then married Miss Gill as George Cocks, a conductor.

Judge Hoffman ruled that a decree had been granted to Fred Cox, but no person by the name of George Cocks had been divorced in the Hamilton County Court of Domestic Relations, and until a decision is reached, Rev. Fred Cox has a wife as a minister and barber, and at the same time Rev. George Cocks has a wife as a minister and a conductor.

Rev. Mr. Cox, or Cocks, admitted he was given the name of Fred G. Cocks by his father when he was born. Later, he said, to shorten the name and make it "more euphonious," he changed it to George Cox.

When he married, at Midland, Tex., he was Cox. When he filed a petition for divorce he was Cox, he admitted, and when he married that afternoon he was Cocks, he further admitted.

Cox, otherwise Cocks, said he knew nothing of the Court rule by which a divorce decree is held 30 days before being entered.

"How long you engaged to the girl you married on the day of the decree was granted?" he was asked.

"I never was engaged to her," replied the minister.

"How did you arrange the marriage?"

"I told her as soon as the divorce was granted we would be married."

"What is your ethical interpretation of the gospel as it affects man and woman in marriage?" asked Judge Hoffman. "Do you believe they should become engaged before even a divorce is granted?"

"Certainly," replied Rev. Mr. Cocks or Cox. "Why shouldn't a man be engaged to a woman before being divorced from one wife? It isn't like a funeral."

Judge Hoffman, addressing Attorney Martin, then inquired: "Is there any record to show George Cocks was divorced here?"

"No," replied Martin. "I do not believe there is."

When Cocks, alias Cox, obtained his license to marry Miss Nannie R. Gill in Kentucky he permitted his certificate to class him as a widower. He took no oath nor did he swear to the truth of the statements contained in the certificate, he said.

When asked why he gave his occupation as a conductor, Cocks—or Cox—said there was a conductor standing next to him, so when the clerk asked what his occupation was he said "conductor," and slapped the man on the back. He then told the clerk to "let it go at that," he said.

Judge Hoffman questioned the minister, barber or conductor as to the whereabouts of his children. The impression had been given, the Judge said, that the children were with the pastor. Yesterday it developed that the daughter Ruth is in Phillipsburg, Kan.

When Rev. Mr. Cox, or Cocks, said he "never before had been accused of being a liar," Judge Hoffman replied: "Nothing will convince me that you did not understand exactly what I meant when I asked you where your children were."

Mr. Cox, or Cocks, declared he contributed toward the support and education of his daughter, who, he said, was staying with her aunt.

"This is dragging me down into the muck of slime," he said, and his voice began to break. "Think what I have to lose, my home, my children and the ministry. I haven't changed my name. It is still the Cocks that father gave me. There is nothing to hide. I want to unburden it to the world. Fred G.

MUSIC WILL BE ADDED FEATURE TO LECTURE

High School Orchestra and Glee Club Will Give Musical Preceding Ope Read's Lecture Friday Night.

Superintendent W. J. Caplinger announced this morning that there had been another big feature added to the second number of the Maysville High School Lyceum Course scheduled for the High School auditorium on Friday evening.

Preceding the lecture by Ope Read, the famous author and lecturer, the new Maysville High School Orchestra of 24 pieces will give a concert and the High School Girls' Glee Club will sing several numbers. This announcement will be received well by the Maysville public as neither the Orchestra or Girls Glee Club has been heard in public yet this year.

Interest in the sale of seats for the Read Lecture is high. Those who have season tickets should have their seats reserved at the Standard Drug store immediately today. Those who are planning to attend and who have not yet purchased their tickets should do so immediately.

NATIONAL P. T. A. HEAD UNABLE TO BE HERE

The committee in charge of the reception to have been given in honor of Mrs. Henry Schott of Philadelphia, wishes to announce that a message was received today, stating that she had been called to Washington City for an important conference, making it impossible for her to be in Maysville on Friday. We hope this announcement read by any member of the association will be passed on by telephone or otherwise so as to cause no inconvenience to the county organization.

WAREHOUSES READY TO HANDLE WEED SOON

We call the special attention of our readers to the advertisement of the Farmers & Planters Tobacco Warehouse Company appearing elsewhere in this issue for the first time today. These popular warehouses are being put in first class condition for the reception of tobacco for the opening sales.

ELECTION OFFICERS GET THEIR PAY

At the meeting of the Mason Fiscal Court Wednesday afternoon all officers of election who served in the Primary and in the November election, were ordered paid and County Clerk James Owens is today issuing checks for the payment of all salaries. These checks may be obtained at the County Clerk's office.

Cocks, or George G. Cocks, is my real name.

"That settled the question. His real name was Cocks."

"Our records," said Judge Hoffman, "wouldn't show that you were divorced here. Fred G. C-o-o-k-s has never been divorced here."

Rev. Mr. Cocks then inquired: "What position does that leave me in now?"

"Everything would have been adjusted," replied Judge Hoffman, "if you had come to me openly and told me of your children and the change of your name."

The case was taken under advisement. Last night Rev. Fred G. Cox had a wife and Rev. George Cocks had a wife. But the question that had disturbed Judge Hoffman, whether Cox was Cocks or Cocks was Cox, was settled, for Cox really was Cocks, though he didn't admit it until yesterday afternoon.

COMMISSION IS BUSY SOLVING THE WATER QUESTION

City Water Commission Has Been in Session Most of Day—One Pump Is Located and Being Investigated—Meet Water Company Tonight.

The City Water Commission appointed by Mayor Russen and Council yesterday is busy on the job and from the manner in which they are working at this big puzzle, it appears that they will soon solve it.

The Commission, itself, this afternoon issued this authorized statement of their progress thus far:

To the Public: The undersigned water committee appointed on yesterday by the Mayor and the City Council to investigate and take action relative to the water situation in Maysville, makes the following report:

Mr. H. J. Cochran of the committee met Mr. Wilson, engineer of the Water Company in Cincinnati today. A pump has been located at Kenova, West Virginia which promises to relieve temporarily the present situation. Men left on C. & O. train No. 2 for Kenova, West Virginia, to investigate this pump with instructions to bring same back with them if it was capable of doing this work. The committee expects a report as to this tonight.

The committee further finds that the Maysville Water Co., on September 15, 1919, entered into a contract with Allis Chalmers Company at Cincinnati, Ohio, and Milwaukee, Wisconsin, for the construction and delivery of a permanent pump sufficient to supply water demands. This contract called for four and one half month's delivery. The Company now promises that by making some minor changes in the construction of the pump that it can be delivered by the middle of December, thus saving about forty-five days over the original contract time of delivery. This pump, of course is a permanent pump.

If the pump which the committee has in mind can be secured from Kenova, West Virginia, and temporary relief obtained therefrom, it would seem that most difficulties can be met between now and the time of the delivery of the permanent pump. Until a temporary pump can be obtained it is likely to state frankly that the committee is of the opinion that continued break downs in the present machinery of the water company may be expected, and the public is accordingly urged to be as conservative as possible.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

OUR TROOPS IN SIBERIA

Eight thousand five hundred American soldiers are in Siberia. They were taken into the army to fight against old German autocracy. That autocracy has fallen. And our boys are still in Siberia.

Why? Who can give us an answer? Pershing far away from the homeland, flogged by Cossacks, reviled by the Japanese, used as targets by the Bolsheviks, insulted by the anti-Bolsheviks, theirs is the most tragic lot of any who bear the name of American.

We are using the greatest care to see that all of the Germans who were our prisoners are returned to their fatherland. Defeated though they were, they will have the joy of being welcomed home. While their parents and friends are meeting them after years of waiting, there are thousands of American homes in which the return of the absent ones is wanted for and in vain.

Why? Congress never declared war against Russia. Congress never authorized the use of American troops in Siberia. The people of our country wish their return.

But we live in a democracy. The will of the people govern. We are to furnish the policemen of the universe. We are soon to enter a League for which 8,500 American soldiers will seem a trifle. And there are men in our midst who dare to arise in public and justify this sacrifice of American lives. If you love America now is the time to protest.

It is becoming more and more clear that the unrest in America is due to the refusal of all classes to accept a compromise on any issue. The Administration has given the finest example of this kind. Although the Democratic party is in the minority in both houses of Congress, Democratic leadership must dictate every step of our foreign policy.

That foreign policy is blundering in Siberia and Dalmastia. That policy implies a surrender to Great Britain on all issues where the British empire is involved. Nor does the Administration have a satisfactory domestic policy.

We have a sugar famine which could have been averted. We have a race question which the Democratic party prefers to see untouched. We have industrial disorders and our leaders do not point the way out.

Is it reasonable to expect a Republican majority to yield on every point to the Administration leadership when that leadership has been proved to be grossly incompetent?

"No-compromise, absolute surrender," is the program of the Democratic leaders. We have a deadlock and that deadlock may continue until the people give the present Administration the reward it so richly deserves.—Dubuque Times-Journal.

DRIVING BUSINESS AWAY

Sixty magazines have gone away from New York for their printing because of the labor troubles here. Some of them will not return. Other business has left New York also for similar reasons. When the strikes are over the men will find their jobs gone and will have to look elsewhere. A man was once admonished for looking for a gas leak with the aid of a match. His reply was that he had been doing it for a long time and "hadn't been killed yet!" Five minutes later there was an explosion. Labor has been trying to see how far it could go without an explosion.—New York Commercial.

DIRTY LINEN

William Randolph Hearst is up against another suit. This time Boss Murphy is after him with a suit for libel. There will probably be enough dirty Democratic linen exposed to public view in this pending suit to require the Mason and Dixon line to hang it on.

Great Healer for Sores, Cuts, Scalds, Burns and Bruises

Great Antiseptic Ointment Called San Cura that J. Jas. & Wood Son sells on Money back plan.

"Arm badly scalded with steam," writes Gilbert Hard of Dinard's Mills, Ohio; "San Cura Ointment relieved the pain at once and arm healed rapidly. It is a wonderful ointment."

Here's another: Ellis W. Frankenstein, Titusville, Pa., broke his leg; was in bed six months; discharged from hospital as incurable; was five years on crutches, with opening in leg continued to discharge pus; suffered terrible pains; San Cura Ointment drew out poisonous pus and many pieces of bone; now perfectly healthy; sore healed, and weight increased from 86 to 121 pounds.

San Cura Ointment is such a marvelous healing antiseptic ointment that it is sold on money-back plan. It relieves itching, skin, tetter, eczema, salt rheum, old running and fever sores, ulcers, boils, carbuncles, sore nipples, piles, frostbitten feet, chilblains, catarrh and chapped skin. Only 30 and 60 cents a jar.

Be sure and always use SAN CURA SOAP for all skin diseases and to give you a fine complexion. It's a splendid baby soap, prevents infantile diseases, 25 cents.

SILK LINED BURGLAR COMING TO THE PASTIME TOMORROW

One of those thrilling, shivery crook dramas, with the flash-light business in front of the safe at midnight, and revolvers glinting from behind curtains when least expected, is promised in "The Silk-Lined Burglar," which will be seen at the Pastime tomorrow.

"Priscilla Dean is the star," and, as might be guessed, the "silk-lined" burglar as well. She is not in the burgling business, but the job she does with the assistance of the redoubtable Boston Blackie should earn her a union card without delay. From the opening scene, when Boston Blackie, assiduously cooking "safe-blowers soup"—nitro-glycerine—happens to see in the paper Doris Macon's advertisement for a "thoroughly efficient" yeoman, until the last surprising climax, the picture is one succession of thrills.

Sam De Grasse is the Boston Blackie of this Universal Special Attraction, and Ashton Dearholt is Robert Melchior, the young Secret Service agent, to aid whom Doris embarks on her career of crime. Others in the cast are Lillian West, Sam Appel and Fred Kelsey. The photoplay is from one of the celebrated Boston Blackie stories by Jack Boyle, appearing in the Red Book Magazine. It was directed by Jack Dillon.

The Ladies' Aid Society of the Second M. E. Church, South, will meet at the home of Mrs. Jas. S. Dawson in Houston avenue Thursday afternoon at 2:30 o'clock.

LIVER DIDN'T ACT
DIGESTION WAS BAD

Says 65 year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.

Meadowville, Ky.—Mrs. Cynthia Higginbotham, of this town, says: "At my age, which is 65, the liver does not act so well as when young. A few years ago, my stomach was all out of fix. I was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was gone. I was very weak. I decided I would give Black-Draught a thorough trial as I knew it was highly recommended for this trouble. I began taking it. I felt better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the least trouble was soon righted with a few doses of Black-Draught."

Warns Influenza Will Come Back in More Dangerous Form

Dayton, O.—Declaring that people gained nothing from their experience with the ailment in 1918 and 1919, Dr. W. A. Evans, prominent health authority and writer of Chicago, today predicted that the world would again be swept by an epidemic of influenza far more severe and disastrous than last year when thousands of lives were lost. The only way it can ever be alleviated or exterminated is by following the advice of the medical world.

Influenza can be prevented, last year's results prove that. As a preventive for flu, Turpo has been a pronounced success. Turpo is an effective germicide, combining the old-fashioned remedies of turpentine (which has always been known as the best home germicide), camphor and menthol in a pure mineral base. These ingredients have long been recognized as effective germicides, as well as having really wonderful qualities in relieving colds and congestions. Snuff a little Turpo up the nostrils several times a day and the flu germs will have little chance of getting a lodging and breeding place. Many physicians and hospitals used and recommend Turpo. Buy a thirty cent jar of Turpo, while your druggist has a supply on hand, and use as directed. Last year druggists could not supply the demand. Remember that Turpo is a preventive, not a cure for influenza. Take care of yourself and if, in spite of your precautions, you think you have the flu, go to bed at once and call a doctor.

Relieves After Effects of Breaks and Sprains

Recovery from fractures and sprains is slow enough at best, but there is no use to be laid up any longer than absolutely necessary. Massage the injured part gently with Houstonia daily. Aching and soreness will quickly go.

The case of E. E. Downing, who lives on Walnut St., in Waverly, O., is one of the many proofs of what Houstonia will do. Says Mr. Downing, "Some time ago, I had the misfortune to break my leg. I tried several remedies without results, until I began using Houstonia Lintiment, and am glad to testify that the results were beyond my expectations." On rheumatic joints and swellings too, Houstonia has an almost magical effect. Better get a bottle from your druggist and keep it handy. \$1.00—half size 50c, trial size, 25c. Ask for Houstonia—The Original Jones Lintiment, and look for Dr. Jones' picture on the yellow wrapper. The Dr. J. C. Jones Co., St. Charles, O.—Adv.

TIME IS THE TEST

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time. Maysville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ill is looking for.

Henry S. Gallenstein, blacksmith, 224 W. Third St., Maysville, says: "My kidneys were out of order and I had pains through my back. Doan's Kidney Pills put an entire stop to the pains and my kidneys became well." (Statement given January 9, 1912.)

RESULTS THAT REMAIN

Over four years later, or on November 14, 1916, Mr. Gallenstein said: "I haven't had any need of a kidney medicine since I last recommended Doan's Kidney Pills. The benefit they gave me has been permanent." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gallenstein had. the members of his own party, the Revolutionary Socialists. Beginning life as a lawyer in a small provincial town, he later went to Paris and there turned his attention to politics and to journalism rather than to law. His opportunity came when he was appointed reporter of the Church and State Separation bill. His work in this post was marked by exceptional ability and the result was his appointment as Minister of Instruction and Public Worship. Two years later he was appointed Minister of Justice, and in 1911 he became Premier for the first time. In every office to which he has been called M. OHIO OFFICIAL VOTE IS WET

Columbus, Ohio, November 11.—While a complete recheck of the official county returns may make slight changes in the final result, neither wet or dry leaders expect the final majority to vary much from the 641 given the wets against the federal prohibition amendment as indicated by the official returns reported by the counties.

Practically all the county returns have been rechecked and only a few apparent errors discovered.

Good telephone service depends not only upon the telephone equipment and the skill and intelligence of the telephone employees, but also upon the co-operation of the telephone USERS. It is the responsibility of the calling person to be sure to give the operator the right number, speaking slowly and distinctly.

The operator's responsibility is, in turn, to answer the caller's signal promptly and to give the desired connection quickly and accurately.

Still further, the called person co-operates towards good service BY ANSWERING PROMPTLY; and each helps by speaking distinctly and by practicing courtesy and patience under all conditions.

KEEPS BET AND BURNS HAT

The Vanceburg Sun: County Attorney J. P. Strother promised Chairman Jas. R. Doran and Secretary Glascock of Fleming county that if they carried Fleming county for Morrow he would burn his hat. The county was carried by Morrow by a majority of 11 votes. Thursday morning, John offered up the sacrifice in front of Republican Headquarters on Second street. It is not too much to say that the largest majority that Lewis county ever gave a candidate when she gave Morrow 1559 was largely due to Mr. Strother's organization abilities. Lewis county Republicans never had such an organization. It reached every school district.

MARKET CRASH HAS RELEASED MONEY

Money Released by Market Crash Will Be Available For Business.

Washington, November 13.—Approximately \$800,000,000 will be released to help local enterprise throughout the United States as a result of the crash in the New York stock market yesterday, government officials here said today.

This vast sum, no longer attracted by speculation, will be available to local business men in need of cash to increase production, building factory additions, buy new machinery and boost business generally, it is believed. This will tend to help reduce prices and living costs, officials hope.

Financial experts believe the orgy of speculation which has swept over the country since the armistice is ended. The Treasury Department sounded a warning against speculation early in the summer. The Federal Reserve Board issued a formal statement condemning it.

A drop expected in call money is the key to the situation, it is explained. Call money is the term used to describe loans made for an extremely short time, sometimes for only a day, that can be terminated on demand. In normal times call money often was quoted as low as 2 per cent. For several days it has been quoted at from 14 to 25 per cent.

Speculators in need of quick cash negotiate call loans. The tremendous rise in stocks and the vast amount of sales shot call money to high rates.

FREE TEXT BOOKS RECOMMENDED BY LABOR COMMITTEE

National Child Labor Committee Recommends That Free School Books Be Granted Kentucky Children.

Provision for free text-books for the school children of Kentucky is one of the recommendations contained in the report on "Child Welfare in Kentucky", by the National Child Labor Committee.

The study on which this report is based was made at the instance of the Kentucky Child Labor Association, the State Board of Health, the State Federation of Women's Clubs, the Louisville Welfare League, and other Kentucky agencies.

The committee recommends that the school census be taken annually instead of biennially, and that it include deaf, blind and otherwise defective children in each county. The three main reasons for children's non-attendance at school are found to be work, sickness and indifference. Raising of the compulsory school attendance age in the country to the same level as in the cities is recommended. The city child must attend school between the ages of seven and sixteen, inclusive, whereas the country child is required to attend only between the ages of seven and twelve, inclusive. Another discrepancy in laws is pointed out. The child labor law does not permit children under fourteen to go to work, but the country child may leave school at thirteen hence there is a full year during which he cannot work yet is allowed to be out of school.

Discussing the issuance of teachers' certificates, the committee finds a great lack of uniformity. Many kinds of certificates are issued by many different boards and institutions. The committee says: "It would seem wise to keep the control of teachers' certificates in the hands of the State Department of Education, which should standardize all certificates issued to teachers issued to teachers in the county schools."

Emphasis is placed in the report on the need of supervision of schools. Under the present system there is very little supervision outside the cities. Administrative reorganization of both the State department of education and the county departments, making adequate supervision possible, is recommended. An appointive State superintendent of public instruction, named by a State Board of Education of seven members, is also recommended. He should be allowed to succeed himself or territorial limits in his selection. The county superintendent should be appointed by the county board, and should be eligible for reappointment. There should be no political or territorial limits in his selection.

PAYNE MADE FOR HIS SHOT GUN

The Ripley Bee says: "Bear" Payne, colored, is wanted at Maysville, on the charge of shooting with intent to kill, having shot a colored woman near there last week. He is well known here.

Payne was arrested in Ripley Saturday afternoon at the home of his aunt by Marshal G. B. White. When Marshal White entered the house Payne made a rush for the stairway and White grabbed him, but Payne was about to get upstairs with him when White called Harry Schroth, who had been deputized to assist him and who was watching at the back door in case Payne tried to escape, and they soon subdued the gentleman. Payne refused to go to Kentucky and the officials at Maysville were notified and made application for requisition papers. Marshal White took Payne to the Georgetown jail for safe keeping until requisition papers arrive.

In the scuffle Payne bit Marshal White on the ear, but the wound did not amount to much. If Payne had gotten upstairs there might be a different story to tell, as Marshal White went up and captured a shotgun and lot of shells that belonged to Payne.

COUNTY FALLS FAR SHORT IN RED CROSS ROLL-CALL CAMPAIGN

Less Than One-fourth of Mason County's Last Year Red Cross Members Sign Up For Membership for 1920—Chairman Makes Report.

Mr. H. C. Curran, Chairman for Mason County of the Third Red Cross Roll Call, this afternoon announced the report of the entire campaign which closed on Armistice Day. The report shows that Mason county has fallen down terribly in this campaign enlisting less than one-fourth the members that were enlisted last year.

The report follows:
First Ward 96
Second Ward 106
Third Ward 46
Fourth Ward 137
Fifth Ward 156
Sixth Ward 76
Dieterich 44
Plumtown 44
Orangeburg 62
Murphysville 30
Helena 1
Washington 75
Dover 75
Minerva 99
Fernleaf 2
Germantown 39
Maysville High School 212
Non-residents 3
Springdale 3

Total November 13th 1203
This report includes all we have at this time, the following precincts alone remaining out: Plumville, Sardis, Lewisburg and Hilltop. Helena, Washington and Springdale and Maysville Third Ward are not complete.

It will be noted from the above report that the entire county has fallen more than three thousand short of the quota, which was 4,500. A natural falling off from the membership of last year was expected but no one connected with either the State or county campaign, even in the most pessimistic of moods, could have believed or thought that this county, which has always heretofore gone over its quota, would let this drive finish with only a little more than one fourth of the quota raised.

Until a complete report is made, which will be by the last of this week we will be glad to enroll any persons who will come to Headquarters. If you have not been seen by a worker come in and enroll.

HARRY C. CURRAN, Chairman,
Membership Campaign, Third Red Cross Roll Call.

COMING BACK AGAIN

The Shannon Stock Company will open their weeks engagement at the Washington Opera House Monday night presenting for the first time in this city the great New York success "The Powers That Be" with vaudeville specialties between acts accompanied by the famous Shannon Orchestra. Mr. Shannon carries his own Band and Orchestra together with all special scenery for each and every play.

This company is presenting all royalty plays including "Where The River Shannon Flows", "The Powers That Be", "The Girl He Couldn't Buy", "The Prodigal Daughter", "Kentucky Sue", "Johnny Get Your Gun", "The Millionaire's Son and the Shop Girl", "Common Clay" and others. Complete change of program every night. Free band concert every evening in front of theater. Tickets on sale at Shaffer & Watkins Saturday for the "The Powers That Be" Monday night.

At the meeting of City Council held last night a building permit was granted the Limestone Lumber Company, whose building burned last week to rebuild. The new building will be iron clad.

MEDICINES USED BY MONKS

It is claimed that Monks of ancient days knew of more than three hundred species of medicinal plants used in general for medicines by these religious orders. While centuries have passed, with all the advance made in medical science, many of our most successful remedies are today made from the roots and herbs of the field, like that good, old-fashioned remedy, Lydia E. Pinkham's Vegetable Compound, which for more than forty years has been relieving women from some of the worst forms of female ills, and is now considered the standard remedy.
